Dear Parents:

We are getting closer to a very important date in your child's journey of faith! His/Her Confirmation will complete his/her initiation into the Catholic Church. Your child is getting ready to fully embrace the promises you first made for them at their Baptism, particularly to nurture and cultivate their faith and relationship with Christ. It is an opportunity to reflect on how we are all living our faith daily.

- ✦ *Show through example and teaching that Jesus is our model.*
